//about

I'm a front-end developer with interest in both coding and design. I'm an independent worker, highly team-focused, accessibility-driven, and excited about a multitude of disciplines.

//skills

Technical

- HTML
- CSS (some Sass experience)
- JavaScript (ES6+)
- Web accessibility-minded
- Version control (Git, GitHub)
- Mobile-ready responsive web design

Personal

- Highly motivated
- Independent worker
- Excellent communication
- Time management for multiple simultaneous projects
- Experience handling extremely sensitive client documents

//education and studies

- ***A Pocket Guide to Combining Typefaces***, Book by Tim Brown – 2019
- ***A Common-Sense Guide to Data Structures and Algorithms***, Book by Jay Wengrow - 2019
- ***You Don't Know JS***, Book Series by Kyle Simpson - 2019
- **freeCodeCamp JavaScript Algorithms and Data Structures Certificate** - 2019
- **freeCodeCamp Responsive Web Design Certificate** - 2019
- **Associate of Science degree**, Eastern Iowa Community College *(President's List, Phi Beta Kappa)* – 2015

//experience

Iowa, 2013 - present

Independent Contractor (Legal Document Preparation)

- Created and formatted time-sensitive legal documents by transcribing verbal recordings into print format
- Ensured stylistic and grammatical accuracy
- Handled highly sensitive legal documents in a timely manner
